All Single Reservation transaction fees are applied at the time the reservation(s) is/are confirmed. Single Reservation transaction fees are non-refundable, non-transferable, and will not apply to the cost of the travel and activity services selected. All services are subject to availability and may not be possible in all locations or for all types of travel. Agency modification, cancellation, and refund fees apply to all reservations after the transaction fee is applied and are in addition to any fees assessed by the supplier. KaliKosmos Travel recommends all clients purchase travel insurance to cover their travel investment.
